

Partners/ Affiliates

Do you believe that your clients/ Contacts might have packages of software development work that could be outsourced to us? Our Affiliate Program is an exciting new initiative targeted at small and medium-sized businesses that work with high growth companies as we does. The key benefits to becoming our Affiliate Partner are:

- Significant financial benefits: Commission based on contract value - 10% of the fees generated from each lead or its first year; and 5% thereafter, are payable as commission under the program.
- We're excellent at developing software and our success will reflect positively on you.
- We broaden the range of services and capabilities you currently offer. We're excited by the potential synergy that could exist between us and we hope that you are to.
